Welcome to the Digital Signage Resource Directory

The Digital Signage Resource Directory

Matching Buyers and Sellers of Digital Signage

The Digital Signage Resource Directory is the definitive Directory, published by NewBay Media's Digital Signage magazine, to help match buyers and sellers of Digital Signage products and services. Registering your company to appear in the Directory is done on this web portal. Click on the "Register" tab at the top of this page to get started registering your company to appear in the Directory (or to update your listing with new information). To learn how to get more visibility, and leads, for your company in the Directory (online, and in Print), contact Debbie Rosenthal at: 212-378-0473, drosenthal@nbmedia.com

There are 3 ways to be listed in our print directory! Contact Debbie Rosenthal, drosenthal@nbmedia.com to purchase your listing.

Option #1-Free Basic Listing-Includes contact information (company name, address, website URL) in ONE category of choice. **PLEASE ONLY PICK ONE CATEGORY. IF YOU PICK MORE THAN ONE CATEGORY WITHOUT GOING WITH OPTION 2 OR 3, WE WILL AUTOMATICALLY CHOOSE ONE CATEGORY FOR YOUR LISTING TO APPEAR IN.**

Option #2-Upgraded Basic Listing- Includes contact information (company name, address, website URL) but in as many categories as you'd like in print-\$350

Option #3—Premium Enhanced Listing-Includes company logo, company description with bolded colored listing in 3 categories of choice, general contact information (company name, address, website URL),-\$600

If you've already listed/updated your company listing, and/or you want to search for digital signage products or services, click on the "Directory" tab above— or just jump in to the Directory column at the right side of this page.
